

**Partnership Application Form**

(suppliers in our wellness industry being part of The Customer Journey)

*ISWKC is an independent wellness platform with quality information of the wellness industry. The benefits of a partnership with our association are numerous. We are the only wellness platform that stands for efficiency in Spa operations and for higher quality guest service and staff motivation, at the same time. Your product can contribute to that philosophy as well. Join us and talk to Spa owners directly and frequently. Before we accept new partners in our concept, we must be convinced that your product helps wellness companies financially, by contributing to higher sales and / or lower costs. This is necessary, because we made a promise to make the difference.*

Please fill out the following details to help us process your partnership.
